RAJARAJESWARI MEDICAL COLLEGE & HOSPITAL

**DEPARTMENT OF
OTORHINOLARYNGOLOGY-HEAD & NECK
SURGERY**

HOD and Prof. Dr. Nagaraj T.M

We are convinced that “ character is the crown and glory of life”. We believe in quality education, progress through discipline, knowledge through devotion and satisfaction through services to the student community.

MISSION STATEMENT

- The department of otorhinolaryngology has been present from the inception of the college ; though initially accredited to undertake training of undergraduate students presently the department is recognized by the MCI to train young doctors for postgraduate degree in otorhinolaryngology.
- The department is well provided with state of the art equipment and continues to acquire more equipment which is required for imparting training to the students.
- The staff regularly gives lectures to the undergraduate students and conduct their clinics in the department.

VISION

- To emerge as a department of excellence, by providing competent specialty services.

GOALS

- i) To train the students to clinically examine, diagnose and learn the art of making cognizant decisions in the management of ENT diseases including their complications.
- ii) To make him/her a nice human being, so that they could be able to treat the patients with compassion for a noble cause.
