

BIO-DATA

Dr.S.Sacchidanand
Professor & former HOD
Department of Dermatology
Bangalore Medical College & Research Institute

And

Former Registrar (Evaluation) (2007 – 2010)
Rajiv Gandhi University of Health Sciences
Bangalore, Karnataka

Personal statistics in brief:

Total Years of service:	26 years
Total Years of teaching experience: (Both UG & PG)	21 years
Total years of Administrative experience:	07 years
Total number of Conferences organised:	14
Total number of CME / Workshops organised:	12
Total number of Lectures arranged:	Around 100
Total number of lectures delivered:	Around 200

Total number of Conferences attended	
Regional:	30
National:	14
International:	08
Total number of books authored:	07
Total number of books edited:	05
Total number of books reviewed:	05
Total number of chapters authored:	06
Total number of clinical trials conducted:	
As Principal Investigator:	15
As Co-investigator:	02
Ongoing projects:	04
Total number of articles published	
National journals:	20
International journals:	06
Accepted and under publication	05
Total number of students guided	
Post graduation:	10
Phd:	03
M Pharma (co-guide)	05

Achievements:

- (1). Procured Dr.B.S.Jirge Memorial **Gold Medal** in Anatomy at J.N.Medical College, Belgaum during I M.B.B.S. (1979)
- (2). Secured **First class** through out the M.B.B.S.
- (3). Was active in sports, debate and cultural activities in the college (JNMC)
- (4). **Kannada Balaga Secretary** during the Silver Jubilee celebrations of Karnataka at JNMC; Organised several programs as student leader (1980 – 81)

- (5). **First** to the Mysore University in D.V.D. (Diploma in Dermatology and Venereology) (1985 – 86)
- (6). **Stood 5th** in the meritorious list of KPSC selection and got selected as Assistant Surgeon (1985) (Health and Family Welfare Department)
- (7). **Diploma in Hospital Administration** from Institute of Social Sciences and Research, Vellore (1989-90)
- (7). Took change of cadre to the Teaching side (Medical Education Department) during June 1991
- (8). **First** to the Karnatak University during M.D. exams (Dermatology & S.T.D) from J.N.Medical College (1994)
- (9). **First Dermatologist** from Bangalore to become the **National President** of Indian Association of Dermatologists, Venereologists and Leprologists at the age of 47 years (2008) and also Vice-President of Association of Cutaneous Surgeons of India (2011 – 2012)
- (10). **First Indian Doctor** to be successfully audited by Food and Drugs Administration, FDA, USA (2004)
- (11). **First to establish a Dermato-surgery Operation Theatre** at Victoria Hospital, BMC (2004)
- (12). **First to establish a Dermatology ICU** at Victoria Hospital (2005)
- (13). **First to start “Hair Transplantation”** in Victoria Hospital and in any Government college in the entire country
- (14). **First Indian Dermatologist** to start a full – fledged fellowship program in **DERMATO-SURGERY** under the aegis of RGUHS (2006)
- (15). **First Indian Dermatologist** to start a fellowship program in **MEDICAL COSMETOLOGY** (2008)
- (16). **First Indian Dermatologist** to start a fellowship program in **PEDIATRIC DERMATOLOGY** (2010)
- (17). **First Indian Dermatologist** to organise **two National conferences** at Bangalore (DERMACON) 2000 and again in 2009
- (18). **First Indian Dermatologist** to have organised more than **15 conferences** at local, state, regional and national levels from (1998 to till date)

(19). **First** to organise a innovative Cosmetology conference on CRUISE (Singapore)

(20). **First** Dermatologist to adorn the post of **Registrar (Evaluation)**, RGUHS

(21). **Authored 07 books in Dermatology, Edited 05 books and reviewed 05 books**

(22). **Convenor of International Conferences Bidding Committee**, Bidding done at Beijing for **International Conference of Dermatology** (2004) and at Seoul, South Korea for **World Congress of Dermatology** (2011)

Vision statement For Rajiv Gandhi University of Health Sciences

Mission:

(1). To enable Rajiv Gandhi University of Health Sciences, Bangalore to chart out programs for the all round development of all its **affiliated colleges**, comprising of all faculties with special reference to development of centers of excellence in specific fields. Facilitate each of the affiliated college to identify its strength and feasibilities and to grow in that direction.

(2). To inspire **every faculty member** in Rajiv Gandhi University of Health Sciences to rise upto his potential by creating excellent opportunities to acquire, accumulate and then dissipate knowledge to all the beneficiaries.

(3). To produce **young health care professionals** in all faculties who are socially, morally and ethically responsible and also trained to deal with fellow human beings with all dignity and compassion.

(4). To create an atmosphere to foster **basic research and development** in medical field.

(5). To explore the possibilities of tying up with the **centers of excellence** across the globe, to usher in a new era of co-operation, understanding, exchange programs and the like, for the benefit of the faculty and the students.

Vision:

- (1). **To construct a state of the art campus:** Rajiv Gandhi University of Health Sciences, Bangalore in order to function efficiently and effectively, needs an edifice of its own. As per the directions of the Chancellor and the Government of Karnataka, importance will be given to complete this long pending project.
- (2). **To tone up administration:** It is imperative to put in place, the various statutes and acts and matters related to University authority and jurisdiction and thereby streamlining the administration.
- (3). **To set up University college and departments:** To work towards establishment of a University Hospital and University College with all full fledged departments. This facilitates to establish delivery of standard care for the needy. It also gives fillip to create an academic atmosphere and scope to boost basic research
- (4). **To enhance the social responsibility of the University:** To bring several stake holders in the Health care delivery system on a common platform to work towards development of schemes that are socially relevant and benefits the community at large. To encourage adoption of villages and hamlets and work for their over all development
- (5). **To impart knowledge of the latest and highest order:** To ensure curriculum revision on a regular basis, incorporating the latest in the respective fields, in-order to impart upto date knowledge to the students. Periodic training of the teachers so as to ensure uniform and standard teaching practices.
- (6). **To improvise the Evaluation section:** To establish a robust, tamper-proof, digitalized, confidential evaluation department.
- (7). **To usher in student friendly atmosphere:** To revise the examination pattern, rethink on the evaluation system, to make the process more transparent and to speed up the result process.
- (8). **To upgrade all the affiliated colleges:** In order to bring in good standards of imparting medical knowledge and to maintain the essential standards, encouragement has to be given to all the affiliated colleges to seek accreditation from relevant authorities
- (9). **To create a platform to foster Research activities:** To coax the various agencies involved in the delivery of Health care and imparting medical education to start integrated activities to foster research and development. Establishing a research fund, to facilitate and enhance the active participation of the students and the faculty alike.
- (10). **To establish a state of the art library in the campus:** which would provide access to all concerned publications in all the fields of medicine, including text books, monographs, journals, bulletins, magazines etc
- (11). **To start a central laboratory in the campus:** which not only would cater to the day to day clinical reports but also cater to the clinical trials and aid in drug discoveries

(12). **To encourage establishment of a “herbal garden”** to preserve medicinal plants and to also encourage basic research in Indian System of Medicine

(13). **To establish a robust “Prasaranga” department:** This would cater to publications of text books, monographs, articles, chapters, research findings, and journals on a periodical basis

Personal details:

Name		Dr. Sarvajnamurthy Aradhya SACCHIDANAND (Sacchi)	
Age		50 years 4 months	
Date of Birth		Twelfth December Nineteen sixty (12/12/1960)	
Father’s name		Late T.N.R. Sarvajnamurthy Aradhya	
Qualifications	M.B.B.S	Aug 1978 – Mar 1984	JNMC, Belgaum, Karnataka University
	D.V.D	Feb 1985 - Dec 1986	MMC, Mysore University
	D.H.A	1991	ISSR, Vellore
	M.D (Dermat & S.T.D)	Aug 92 – Aug-94	JNMC, Belgaum; Karnataka University

Designation	Professor, Department of Dermatology & S.T.D., Bangalore Medical College & Research Institute Bangalore Registrar (Evaluation) (18th June 2007 to 17th June 2010) Rajiv Gandhi University of Health Sciences, Karnataka 4 th “T” Block, Jayanagar Bangalore – 560 041
Address	#4, “SUPRAJA” III cross, ‘Bimajothi’, LIC Colony Basaveshwara Nagar, Bangalore. 560 079
Phone	91-80-23228169 (Residence); 093412 18715 (Mobile)

Email	sacchi1212@gmail.com / sacchi1260@yahoo.com
Total Length of Service	27 years
Teaching Experience	21 years
KMC Registration	22741

SERVICE PARTICULARS:

- Joined service through KPSC during Feb 1985 as **Assistant Surgeon** in Health & Family Welfare Department while pursuing DVD course.
- Feb 1987 to May 1989 **Administrative Medical Officer, Primary Health Center**, Kukke Subrahmanya, Sullia Taluk, D.K. District
- May 1989 to July 1991 **Administrative Medical Officer, Primary Health Unit**, Jeevan Bheemanagar, Bangalore 560 075
- Aug 1991 to Nov 1998 **Lecturer (OOD)**, Department of Dermatology & S.T.D., Bangalore Medical College (BMC), Bangalore
- Nov 1998 to July 2000 **Lecturer**, Department of Dermatology & S.T.D., Bangalore Medical College, Bangalore
- July 2000 onwards **Assistant Professor**, Department of Dermatology & S.T.D., Bangalore Medical College, Bangalore
- April 2005 onwards **HOD** of the Department of Dermatology & S.T.D. at Victoria Hospital, Bangalore Medical College, Bangalore
- **Professor and HOD, Dept. Of Dermatology, Venereology & Leprosy, since July 2005**
- **Registrar (Evaluation)**, Rajiv Gandhi University of Health Sciences (RGUHS), Bangalore (18th June 2007 to 17th June 2010)
- **Professor, Department of Dermatology & S.T.D., BMCRI, Bangalore from 18th June 2010 till date**

ROLE IN BANGALORE MEDICAL COLLEGE:

Professor and Head, Department of Dermatology, and S.T.D. & Leprosy, 2005 - 2007

President of Academic Society, Bangalore Medical College, 2005

Chief of Medical Education Unit of Bangalore Medical College since 2005 to 2007

Conducting the first-ever, Fellowship in Dermato-surgery under the auspices of RGUHS, since (Jan 2006)

Conducting the first – ever Fellowship in Medical Cosmetic Dermatology, since (Jan 2008); under the auspices of RGUHS

Conducting the first – ever Fellowship in Paediatric Dermatology, since (Jan 2011); under the auspices of RGUHS

Post-graduate teacher and guide for MD candidates and PhD candidates for the Departments of Dermatology, Microbiology, Pathology, General Surgery, General Medicine, Clinical Pharmacy and Government Dental College students.

Post-graduate examiner and PG / DNB Exam paper setter for various universities

Conducting research activities and clinical trials

First Indian doctor to be audited by US FDA and received accolades as Principal Investigator

Chairperson, Magazine Committee during the Golden Jubilee celebrations of Bangalore Medical College, (Odyssey) and also for BMC student's Union (2005)

Organizing Chairman for the first ever exhibition (**MEDILIT - 2011**) on Medical books during January 2011

CME's / CONFERENCES ORGANISED:

- **Organising Secretary** of Karnataka - Tamilnadu branch 62nd Annual Conference of IADVL - May 1998
- **Organising Secretary** of "Dermavision Beyond 2000", 28th National Conference of IADVL, Bangalore – 26th to 30th January, 2000
- **Organising Secretary**, 12th South Zone conference of IADVL - October 2002 (**DAKSHIN 2002**)
- **First KGMDTA conference as Organising Secretary** for Govt. Medical College & Dental College Teachers of Karnataka, 2002
- **Organising Secretary, PHOTOCAN – 2004**, A National Workshop on Phototherapy, Bangalore, April 10th & 11th 2004
- **Vice-President** of ISPD conference on Paediatric Dermatology during Aug 2004
- **Organising Secretary, TRICHOCON – 2005**, held during 12th to 14th August 2005 at Bangalore
- **Chairperson, COSMECON – 2006**, 13th to 16th July, 2006, Bangalore
- Conducted three **Dermato-surgery workshops** for around 60 dermatologists from South India (Aug – Oct 2006) (Bangalore / Kolkata / Allahabad, Patna)
- **Organising Secretary & President of DERMACON 2009**, the 37th National Conference of IADVL, for a second time at Bangalore as Organising Secretary; (II time – a record)
- **Organising Chairman, FOTOCAN 2009**: An exclusive conference on Medical digital photography held between October 23 – 25, 2009 at Bangalore
- **Organising Chairman, COSMECON 2010**: A Cosmetology conference arranged exclusively on Star Virgo cruise from Singapore to Phuket to Langkawi and back; 23rd May to 26th May, 2011
- **Organising Secretary, VITILICON 2011, 22nd to 24th April, 2011**: A comprehensive global conference on Vitiligo; Current concepts and future trends
- **Scientific Committee Chairman, CME in Paediatric Dermatology, 13th Aug 2011 at BMCRI**

ASSOCIATION ACTIVITIES AND POSITIONS HELD:

- General Secretary, Kannada Balaga, JNMC, Belgaum 1981 - 82
- Secretary, Karnataka Government Medical Officers' Association (**KGMOA**) during 1990 - 92
- **Honorary Secretary and Treasurer** of Karnataka-Tamilnadu branch of IADVL 1997-99; **Awarded Best branch award during both the years;**
- **Vice-president**, Karnataka & Tamilnadu branch of IADVL 2000 – 2003
- **President**, Karnataka-Tamilnadu branch of IADVL, 2003 – 2004
- **Honorary Secretary**, Karnataka Government Medical & Dental Teachers' Association 2000 - 2002 (**KGMDTA**)
- **Honorary General Secretary, (National); Indian Association of**
- **Dermatologists, Venereologists & Leprologists (IADVL) (2002 – 2004 & 2004 to 2006) (two terms)**
- **Secretary General** of South Asian Regional Association of Dermatologists, Venereologists & Leprologists (**SARAD**) **since October 2005 to Oct 2007**
- **President Elect of IADVL – 2007**
- **President of IADVL – 2008**
- **Board Member**, International League of Dermatological Societies (**ILDS**) **WCD 2007 at Buenos Aires, Argentina and WCD 2011 at Seoul, South Korea**
- **Vice – President, Association of Cutaneous Surgeons of India (ACSI), 2011**
- **Convenor, World Congress of Dermatology (WCD), 2015;** IADVL International Conferences Bidding Committee (Bangalore as the proposed venue); **Designated Secretary General, WCD 2015**

LIFE MEMBERSHIP:

- Indian Association of Dermatologists, Venereologists & Leprologists (**IADVL**)
- Indian Medical Association (**IMA**)
- Association of Cutaneous Surgeons of India (**ACSI**)
- Indian Society of Pediatric Dermatologists (**ISPD**)
- Cosmetology Society of India (**CSI**)
- **South Asian Regional Association of Dermatologists (SARAD)**
- Indian Society of Teledermatology (**INSTED**)
- **Member & Delegate, International League of Dermatological Societies (ILDS) (From 2007 onwards)**
- **GSK-AFFORD** member
- Member, India Acne Alliance (**IAA**)
- Founder & Convenor: Cosme Derma Health Club 2002 - 2004 (**CHC**)
- Kannada Sahitya Parishath
- Kannada Vaidya Sahitya Barahagarara Sangha

BOOKS AUTHORED / EDITED:

- **Acne and Acneform Eruptions – A critical review** (Authored & Edited) - an update released by M/S Galderma India Private Limited during January 2000
- **Aloe Vera – Therapeutic applications** (Authored and Edited): released by Fem Care Pharma limited, Jan 2000
- **Role of Anti-oxidants in Dermatology** (Authored & Edited): released during January 2000, by M/s Glenmark Pharmaceuticals
- **Dermatological Diseases A practical approach;** Co – authored with Dr. Venkataram Mysore & K.H. Sathyanarayana Rao, 2008
- Co-authored a chapter on “**Mastocytosis**” in the Text book published by IADVL, 2008
- **Text book of Paediatric Dermatology**, Published by Jaypee brothers; co – authored with Dr. Arun C Inamadar, 2009
- **Management issues for a Dermatologist;** brought out by Jaypee brothers, co – authored with Dr. Bhanuprakash, 2009
- **Scoring Systems in Dermatology** by Jaypee brothers, co – authored with Dr. D. S. Krupashankar, 2009
- **Chief Editor**, IADVL Text book of Dermatology IV edition (being compiled)
- **Chief Editor:** International Text book on Pediatric Dermatology (Under compilation)

IADVL PUBLICATIONS: (As Honorary General Secretary (2002 – 05) & President) (2008)

- **IADVL book on Medical Ethics & Consumer Protection Act;** Editor Dr. Putta Srinivas (2006)
- **IADVL Drug Formulary;** Edited by Dr. Jayakar Thomas (2006)
- **IADVL Hand book for Dermatology Residents;** Dr. Uday Khopkar (2009)
- **IADVL lecture series – CD in power point presentation** (2009)
- **History of the IADVL;** Project Director; (2010)

BOOKS REVIEWED:

- **Standard Treatment guidelines: Rational use of drugs programme;** A WHO – India initiative 2001;
- **Karnataka State Essential Drugs List, First Edition 2001**
- **Standard Treatment guidelines 2005;** Karnataka State Drugs Logistics and warehousing Society;
- **Drugs usage in special population (Pediatrics & Geriatrics);** Karnataka State Pharmacy Council publication; 3rd Edition 2009
- **Handbook of Pharma SOS;** Karnataka State Pharmacy Council publication; 4th Edition 2009

EDITORIAL BOARD:

- Reviewer and Editorial Board member of Indian Journal of Dermatologists, Venereologists and Leprologists since 1999 (IJDVL)
- On the Editorial Board and as Reviewer of Indian Journal of Dermatology since 2007 (IJD)
- On the Editorial board of "Sysderm" an in-house magazine of M/s Sysmed, 2001
- On the Editorial board of IJCP journal since 2003
- On the Editorial board of INDIGENE
- On the Editorial board of CIMS, since 2003
- Editorial board of The India Health care Update, since 2009
- Advisor; Editorial board of The Journal of Cutaneous and Aesthetic Surgery; 2009 (JCAS)
- CME Direct; Advisor, Since 2010
- Advisor and Reviewer; Editorial board of The Indian Dermatology Online Journal; 2010 (IDOJ)
- Chief Editor: IADVL Text book of Dermatology, IV edition 2011 (Under compilation)
- Chief Editor: International Text book on Pediatric Dermatology (under compilation)

ACADEMIC ACTIVITIES:

- **Conducted “MIGS” Medivision Invited Guest Lecture Series: A 52 week non-stop lecture series at BMC during 2001 - 02**
- **Organized several CME / Workshops and Guest lectures at BMC / BMCRI**
- **Organizing “DIGS”: Dermatology Invited Guest Lecture Series in collaboration with M/s. Indigene at BMCRI since 2007**

ORATIONS DELIVERED:

1). **Dr. K. Rajendran Memorial Oration** on “Practice of Evidence Based Dermatology” at DERMAHUB, Hubli during 2006

2). **Dr. R. Shivakumar Memorial Oration** on “Life Style Dermatoses” at I CUTICON – Karnataka State, at Raichur, 2010

3). Presented several scientific papers in various State / Zonal / National and International conferences like:

Paris (France), (2002)

Kuala Lumpur (Malaysia), (2002)

Beijing (China), (2004)

Colombo (Sri Lanka) (2004)

Khatmandu (Nepal),

Lahore (Pakistan), (2007)

Buenos Aires (Argentina), (2007) and

Seoul (South Korea) (2011)

BRIEF SUMMARY OF RELEVANT CLINICAL RESEARCH EXPERIENCE

- **As Principal Investigator:**
- Protocol 3074 A1-300-US: A multi-centre, Randomized, Double blind comparison of the safety and efficacy of Tigecycline with those of vancomycin with aztreonam to treat complicated skin and skin structure infections – Phase III study. (Wyeth Research) (30 Sept. 2003 to 19 June 2004) **USFDA** audited
- Protocol No: PAR-002: A Randomized, open-labeled, pilot study comparing weight gain in adults with AIDS-related wasting given either Megestrol Acetate Oral Suspension Nanocrystal Dispersion (NCD) or Megestrol Acetate Oral Suspension (Megace). Phase-III study. (Par pharmaceutical) (11 Jan 2005 – Awaiting close out)
- Protocol SB-275833/032-studies 030A and 030 B: Two identical Double-blind, Double-dummy, Multi - centric, Cooperative phase III studies of the safety and efficacy of topical 1% SB-275833, applied twice daily, versus oral cephalexin, 500mg in adults, or 12.5mg/kg (250mg/5ml) in children, twice daily, in the treatment of uncomplicated secondarily infected Dermatoses (GlaxoSmithKline) (28th Jan 2004 – Awaiting close out)
- Efficacy and Tolerability of Cefditoren Pivoxil in Uncomplicated Skin and Skin Structure Infections (An open-label, comparative study) (Ranbaxy) (24th April 2005)
- Efficacy and Tolerability of Eflornithine (eflornithine hydrochloride 13.9%) Cream in treatment for the reduction of unwanted facial hair in women (An open-label, non-comparative study) (Ranbaxy) (4th May 2005)
- Ensamycin Vs. Framycetin cream in Primary Pyodermas, an open label study (Fulford) (14th Nov 2003 – 12th Oct 2004)
- Comparative, Double blind Clinical Trial to evaluate the safety and efficacy of Hydroxychloroquine in the treatment of Polymorphous Light Eruption (IPCA, India) (22nd Aug 2004)
- Comparative evaluation of safety and efficacy of WCK 771 with Vancomycin and Linezolid in the treatment of infections caused by Methicillin - resistant Staphylococcus aureus (Wockhardt, India) (Site initiation on 16th May 2005)
- A Randomized, Observer-Blind, Multi-center, Non-inferiority, Comparative Phase III Study of the Safety and Efficacy of Topical 1% SB-275833 Ointment, Applied Twice Daily for 5 Days, versus Topical 2% Sodium Fusidate Ointment Applied Three Times Daily for 7 Days in the Treatment of Adult and Pediatric Subjects with Impetigo (GSK) (Site initiation on 7th May 2005)

- A phase II clinical trial for Lupin's investigational drug (LL-4218) entitled "A Phase II, Multi-Center, Double Blind, Randomized, Parallel Design, Placebo-Controlled Study to Evaluate the Efficacy and Safety of Two Different Dosage Regimens of LL-4218 of Lupin Limited in Moderate to Severe Chronic Stable Plaque Type of Psoriasis" (Lupin)
- Protocol BAP 00414" Phase III, Randomized, Double – Blinded study of Ceftobiprole Medocril versus Vancomycin with Ceftazidime in the treatment of Complicated Skin and Skin structural Infection. (ICON)
- Phase III, Double blind study to assess the efficacy and safety of THC cream a topical agent for the treatment of Photo damaged skin (Sami Lab)
- "To see efficacy and safety evaluation of Eberconazole in cutaneous dermatomycosis ". Protocol ID: EBESE/CMS/DRL/2005/NC
- A phase III study for "Evaluation of the efficacy and tolerance of the repairing cream RV2427B in irritative dermatitis care of children and adults" for a cosmetic product. (Asiatic)
- " A single site open label local application clinical study of Pycnogenol® 0.4% over a period of six weeks to investigate its ability to lighten dark skin patches on 30 female subjects with dark skin patches on both side of face ". (Asiatic)

As Co-investigator:

- Protocol No: 3074 A1-301-WW: A Multi-center, Double blind, Randomized, comparison study of the Efficacy and Safety of Tigecycline to Imipenem / cilastatin to treat complicated intra-abdominal infections in Hospitalized subjects. Phase III study. (Wyeth Research) (23rd Jan 2004 to 25th Oct 2004) **USFDA** audited
- Protocol SB-275833/030-studies 030A and 030 B: Two identical Double-blind, Double-dummy, Multi - centric, Cooperative phase III studies of the safety and efficacy of topical 1% SB-275833, applied twice daily, versus oral cephalexin, 500mg in adults, or 12.5mg/kg (250mg/5ml) in children, twice daily, in the treatment of uncomplicated secondarily infected traumatic lesions.(GlaxoSmithKline) (26th June 2004 to 20th April 2005)
