The Dean welcomed all the members.

1. **Implementation of New Syllabus** – Dean informed that the Medical Council of India has passed a Gazette to implement the new syllabus in which there is more emphasis on communication skills, attitude, early clinical exposure and a separate foundation course. Then invited the Chairman Board of Studies, Pre-clinical at RGUHS, Dr.Prashanth Kumar M, Prof & HOD of Physiology, to elaborate on the matter.

Dr. Prashanth Kumar made a presentation on the methodology that is being followed by the BOS members with regard to Physiology subject. He mentioned that this preparation can be used as a template and curriculum committee members of all the subjects can work along the same lines. Medical Director felt that the university or MCI may conduct workshops to train faculty members of all colleges in this direction.

- 2. Biometric attendance monitoring system:** Dean informed that some of the faculty members registered in the biometric are not punching regularly. Since, it will be communicating every day to MCI, the enrolled staffs are hereby informed to do the biometric regularly. Most of the departments' senior residents are doing punching and not signing in the register. When the MCI visits they will verify the attendance register. So the HODs should take care of the above matter.

Most of the students were roaming in the college premises during the class hours and clinical postings, when principal asked they told that were having Medicine, Surgery postings. Principal raised the matter in the meeting and informed that the strict action to be introduced to avoid the lacunae of postings and the staff may be penalized by cutting one day salary.

The HOD of Pediatrics requested not to take that kind of decision, and opined that first time they may be issued a memo and the HOD of Anesthesia said that a committee may be formed, and the committee should conduct meeting and take decision, after the committee's decision they may be penalized by deducting one day salary.

Principal said that all the HODs should conduct the departmental staff meeting and inform them in this regard. First time they will be issued memo, if continued 2nd time also, they may be deducted one day salary.

- 3. Internal Assessment examination/Attendance:** Dean informed regarding the new calendar of events to conduct the Internal assessment examinations and submission of Internal Assessment marks as and when the Internal assessment is conducted which will come into effect to 2018-19 MBBS batch admissions.

4. Compliance MCI Inspection: Principal informed that the compliance MCI inspection is expected, so all the HODs are strictly informed to maintain the documents of records as well as patients, as per the norms.

5. Any other matter with permission of the chair: Dean informed to all the HODs to conduct a meeting with each departmental mentors to keep a eye on the students for their extra academic activities.

Principal also informed that hence forth four (4) times punching will be introduced (once at 9.00am, 2nd time 1.00p.m, 3rd time 2.00pm, and 4th time at 4.00pm)

Dean also informed facial recognition system for UGs is running smoothly, however one coordinator is designated for each term and it is his responsibility to update the attendance regularly.

The meeting concluded with vote of thanks by Dean.

Dean welcomed all the members and wished everyone A Happy New Year as this college council meeting was the first meeting in the year 2018.

- Dean brought to the notice of the HODs that the class was not engaged for the IV term students because of which they were loitering in the corridor causing problem for the V term practical examinations.

When the students were enquired they said that they were having OBG class, the class teacher was not present in time to the class. She was called for explanation in the Dean's office; and the reason was given was an emergency case.

- Dean brought to the notice of all the HODs that in spite of all these emergencies or any problems, somebody should be given the responsibility of engaging the class.
- Medicine HOD informed that notice has been served to the teacher who was late to the class from their department.
- Dean instructed all the HODs to have a brief meeting with their staff in the morning for about 5- 10 minutes to discuss various duties of the staff whether theory, practical and clinical classes and monitor them. It is observed that many students are found in the canteen during class hours, and HODs, other faculties were requested to monitor this.
- Dean observed that students were loitering in the 1st floor corridor during the clinical postings hours, when enquired the students replied that the teachers were taking classes continuously on patient's history taking.
- Dean received the complaint from the HOD of Pediatrics who said that last week, when he came to take the class for VI term students none of the students were present for the class.
- Any irregularities of Mentées of any term (Clinical) should be informed to Dean/Principal by Dr.Praveen Kumar, Assoc.Prof of ENT. The Parents and Teachers meeting has not been conducted from clinical departments for the above said terms. Dean told to conduct P T meeting and to submit the report immediately.
- The centralized Internal Assessment examinations for IV term students are scheduled from 5th Feb 2018 to 08/02/2018 which will be conducted at ACS Auditorium. The practical examinations will be conducted in the respective departments from 19th onwards.

- For the exam going batch of post graduate students, the final Internal assessment examination is scheduled in 1st week of March 2018 instead of February 2018. This is because after completion of the internals they may avail study leave.
- The HOD of Anatomy said that after completion of particular chapter the class test will be conducted. Dean instructed this policy should continue. He also wanted to know the reason for the poor performance of the students in I internal Assessment examination. The Pre clinical HODS informed that students were very casual; and they set tough questions to make them realize that they need to work hard. Attendance, which was a problem facing in the pre-clinical departments for past 3 – 4 days due to bio metric machine, was solved.
- In the earlier meeting it was told that due to some reasons, the centralized conduction of Internal Assessment examination was removed, principal instructed to continue the centralized Internal Assessment.
- Principal informed to take strict action against teachers for delay in taking classes/bedside clinics so that they may be penalized by cutting one day salary.
- The HOD of Pediatrics requested not to take that kind of decision, and first time they should be issued a memo. The HOD of Anesthesia said that a committee may be formed for taking decision in this matter. The committee should conduct meetings and take decision, if it is repeated; they may be penalized by deducting one day salary.
- Principal said that all the HODs should conduct the departmental staff meeting and inform them in this regard. First time they will be issued memo, if it continued 2nd time, they may be deducting one day salary.
- Dean informed that most of the departments' that senior residents are doing Biometric and not signing in the departmental register. When the MCI visits they will verify the attendance register. So the HODs should take care of the above matter.

- Dean informed to hasten the valuation work for para clinical and clinical departments.
- Medical Superintendent complained that none of the departments are taking bedside clinics.
- Dean instructed the HODs to monitor the bedside clinics in future.
- Dean informed the HODs that the consolidated attendance of all the UG & PG students should be notified within 4th of every month and the same should be submitted on 5th of every month to the Dean's Office without fail. The Attendance will be maintained strictly.

The meeting concluded with vote of thanks by Dean.

The Dean welcomed all the members and thanked the management for appointing as Dean. Dean informed that the College council meeting will be conducted once in three months on the 3rd Thursday, if there is a holiday on 3rd Thursday next day or any other date will be informed in advance.

Dean informed that earlier centralized Internal Assessment examinations were conducted for Undergraduates. Now there is proposal to conduct the Internal Assessment examinations by the respective departments. HOD of Surgery told, if the Internals are conducted in the department the number of presentees are less. For which Dean suggested the HODs to conduct the departmental meeting to find out the means /procedures for regularity of the students and prepare the schedule and each individual department can conduct Internals on the scheduled dates. All accepted the proposal.

Dean informed the HODs that the consolidated attendance of all the students should be submitted on 5th of every month to the Dean's Office without fail. The Attendance will be maintained strictly from the present new term.

Dean briefed the dates of UG & PG Theory examinations from 14/06/2017 & 27/05/2017 respectively and informed the HODs to inform their departmental faculty as to those who have been appointed as Room Superintendent/Invigilators for the examination duty to be present in time, if there are any changes they should make alternative arrangements with consent of chief superintendent

The Recognition inspection for PG degree courses in the Departments of Radiology, Dermatology, Pharmacology & Microbiology is scheduled on June 2017. The above said departments should keep the documents ready for the forth coming inspection.

Regarding Doctors day celebration- Dean suggested to form Organizing Committee, to chalk out the programmes. HOD of Microbiology informed to conduct Health Awareness Programme in the Hospital, as a part of Doctor's day celebrations.

Our institution has built the PHC [RHTC] in Chunchanakuppe village and the Inaugural function has been organized on 31/05/2017 Wednesday at 11AM. The MLA and local leaders will be attending the function. Hence all the staff except skeletal staff in the hospital are informed to attend the function without fail. The Transportation to PHC will be provided by the institution.

Dean reiterated that faculty members and PGs should attend the CME programmes, Guest lectures and workshops regularly.

Associate Dean Surgery allied departments, Dr.Suresh.I, Prof of Orthopedics requested the chair to inform the management regarding the Hospital indemnity Insurance. Medical Superintendent said already this matter was brought to the notice of the management, but they have not implemented, for which the Prof of Orthopedics suggested to submit the proposal in writing.

Dean asked Dr.Bindu Prof of Biochemistry, Dr.Nisar Ahmed, Assoc.Prof of FMT, Dr.Sarojamma, Assoc.Prof of OBG to inform their concerned mentors to maintain the attendance for the forth coming batch UG students.

The Dean welcomed the members.

Dean instructed to all the HODs to inform their staff members (teaching and non-teaching) to participate in the event of "World Health Day". Theme being for 2016 "Beat Diabetes" walkathon, which has been organized on 7th April 2016 at 9.00, am from Kengeri Bus Depot – Kadamba Hotel. Shri Nagaraju, KAS, Registrar, RGUHS will be the chief guest.

Guest Lecture by Dr.Mohan Rao, Endocrinologist, on Beat Diabetes is arranged in College Auditorium, at 12.30pm followed by high tea.

Dean informed that the college council meeting will be conducted once in two months and the 3rd Thursday is fixed for the meeting and if there is holiday on that day Friday is fixed for the same. If Friday, is also declared holiday then the following Thursday is fixed for the said meeting. All the HODs accepted.

Dean suggested the HODs to conduct two CMEs in a month from any two departments. Prof & HOD of Radiology suggested that the two departments can conduct together in a year 2, which amounts to 40 CMEs from all the departments. Medical Director informed that CMEs can be conducted even without credit points. Group discussions are to be conducted in more numbers from all the departments as per the MCI requirements.

Dr.Rupkala B M, Prof of OBG, in charge of CME's said that last year 38 CMEs have been conducted, in that 25 were conducted with credit points and 13 were without credit points.

Dr.Krishna M V, Prof & HOD of Medicine suggested that national Health programme days can be fixed for respective department CMEs (ex. Roentgen Day on Nov 8th every year, may be fixed for Radiology CME). All HODs accepted.

All curricular and co-curricular activities conducted by the departments should be informed to academic coordinator/website coordinator Mrs.Bhavana Satish in the admin office.

The mentors meeting was conducted on 05/04/2016 regarding the attendance and performance of VIII & IX term students. Dean informed to keep a note book to maintain the records of the interaction with the students, which can be shown to their parents during the time of parent's teachers meeting. Mentor's log book to be provided and later to be counter signed by the respective HOD, which will be endorsed by the Dean.

Dean suggested to all the HODs to inform their staff members to make at least two research publications in a year to get the promotion. All the HODs were requested by Medical Director to get the funding from outside sources to conduct programmes and projects.

It was brought to the notice of the Dean that the 9th term students are not attending the classes, and even 8th term students attendance is very less in numbers. The HODs should prepare the PG & UG teaching schedule and attendance.

The HOD is responsible for all the events which happen in the department. Some of the HODs are not submitting the attendance & performance of the students to the Dean's Office. Hence all HODs are hereby informed to submit the same before 5th of every month.

Dean said that the departmental meeting should be conducted twice a month and the minutes of the meeting has to be submitted to the office of the Dean every month without fail.

21. Dr. Vivekananda	Prof & HOD of Dermatology
22. Dr. K N Mohan Rao	Prof & HOD of Respiratory Medicine
23. Dr.Sudhir Hebbar	Prof of Psychiatry

The Additional Medical Director cum Dean welcomed the members.

1. Additional Medical Director informed to all the HODs to have a brief meeting with their staff in the morning for about 5- 10 minutes to discuss various duties including taking of theory, practical and clinical classes and monitor them. It is observed that many students are found in the canteen during class hours, HODs and other faculties were requested to monitor this.

2. The HOD of Pediatrics and Microbiology informed that many students are not writing the 3rd Internal Assessment Examination. Medical Director told that as per RGUHS norms average of best of two Internal Assessment Examination marks are to be sent to the university and probably they have scored more marks in those two IATs but however, as the 3rd Internal Assessment Examination is conducted as per the RGUHS examination pattern, students should be encouraged and counseled to attend the 3rd Internal Assessment Examination.
3. Those students who were absent for the 3rd Internal Assessment Examination, parents were informed and parents- teachers meeting was conducted and students were counseled.
4. Additional Medical Director cum Dean told to all the HODs that PG teaching and training programme should be conducted regularly, Log books/work dairies and other documents to be checked and maintained.
5. All the HODs to make sure that the exam going post graduates should fulfill the requirements of MCI and RGUHS to be eligible for examination i.e should present one oral, one poster presentation at state /national /international conferences and also publish a original scientific research paper or acknowledgement for having submitted the scientific paper for publication.
6. All the HODs should send the attendance of exam going batch of PGs year-wise for the last three year as per the proforma given to them on or before 09/03/2015, as it has to be sent to the RGUHS. 80% of attendance is compulsory for every year so as to be eligible to appear for examination.
7. As we will be having PG recognition inspection by MCI, in the month of May 2015, all the documents of examiners both internal and external and other necessary documents are to be kept ready with all arrangements. The copies of Theory and Practical/Clinical examination schedule will be sent to the concerned departments soon after receiving from RGUHS.
8. As our hospital has super specialty departments, HODs were informed to look into the feasibility of posting post graduate students here itself instead of sending them to other institutions. The posting schedule from each department has to be sent to the College Dean's office, on or before 15/03/2015.
9. Hospital Dean informed that all the departments should undertake grand rounds regularly, as it is not being done.

10. It was decided to conduct the following academic meetings as below:

- a) Tumor Board meeting- every Wednesdays
- b) CPC & Mortality meeting - 4th Friday A/N
- c) Clinical updates meeting - every Saturdays at 9.30

11. It was informed by the Medical Superintendent that there are no doctors available in the OPD during the clinical update meeting on every Saturdays. Dean hospital informed that he will make necessary arrangements regarding the same.

12. It was observed that some of the staff members are leaving the campus on official duties without informing the Head of the Institution. Hence forth a copy of the leave letter / permission letter should be sent to the Medical Director's office/ Additional Medical Director cum Dean.

13. It is observed that many faculty members are absenting themselves informing by telephonically and later on submitting the leave letter, this should not happen in future and leave should be got sanctioned before proceeding except under certain emergency situations.

14. All the HODs were informed by Medical Director that their departmental faculties leave letters should not be forwarded as there will be UG compliance inspection by MCI any time.

15. It was requested by all the members to increase Earned leave to 30 days and casual leave to 15 days instead of 20 days and 12 days respectively at present, as this is being followed at Rajarajeswari Dental College,

The meeting concluded with vote of thanks by Dean.
