FEEDBACK ANALYSIS REPORT

Date: 08/7/14

All feedback collected from various source were analysed. It was presented to all the FAC members.

The reports of feedback analysis are as follows.

Following feedback questions have scored less than average score

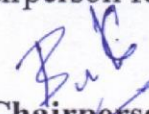

1. Alumini feedback- Enrichment courses, personality development, Co-Curricular Activities, Sports Encouragement & Cultural, Personal Counseling, Mentorship programme & Parent Teachers Interaction
2. Parents Feedback- monitoring mechanism for learning, classess are held efficiently and effectively, hostel accommodations, transport services, comprehensive personality development & progress communication to parents
3. Student feedback on teachers(overall)- sincerity & commitment of the teacher
4. Service feedback – drinking water facility & staff concern for service
5. Central library feedback- assistance for article search, printing & scanning facility, user orientation, power back up & illumination
6. Evaluation organizational climate – amount of work job, working conditions, job accomplishments & safety

Following suggestions were recommended by the FAC.

- Programme wise minimum one enrichment course in a year to be initiated
- To start personality development programmes and counseling sessions
- To strengthen existing mentor ship programme and have regular PTA meeting to update the student progress.
- Problems related to hostel and transport facilities to addressed immediately by concerned authorities
- Co curricular activities also to be encouraged for overall development of a student
- Regular monitoring of teachers- teaching, punctuality, interaction with students
- To motivate and train hospital staff for proving good patient care
- To conduct regular workshops for hospital staff to improve their efficiency
- Basic facilities like drinking water, cleanliness , good ambience of hospital has to be provided
- Periodic Training programmes for hospital staff (doctors, nurses & group D workers) to develop good communications skills
- Regular user orientation programme to be held for all library users
- Purchase latest editions textbooks & periodicals for the benefit of users
- Basic facilities like good lighting, internet, printing & scanning and good ventilation to be maintained

The above recommendations will be submitted to IQAC chairperson for the approval and necessary actions.
