“Plan to get it right”

FACE 2015

The FACE workshop is a common
Platform for Maxillofacial Surgeons and
Orthodontists.

The focus is on careful planning and
Execution of the treatment to get a
predictable and stable result which is
acceptable to both the clinician and patient.

Team work and planning by both the
Surgeon and Orthodontist is essential
to the success of Orthognathic Surgery.

Rajarajeswari Dental College & Hospital is
a NAAC Accredited “A” Grade Institution
and ISO 9001:2008 certified. It has
Post Graduate courses in all Dental Specialities
Certificate course in Implantology
and PhD courses in Orthodontics, Prosthetics,
and Periodontology

It is recognized for MFDS Part 1
Revision Course and Examination by
Royal College of Physicians & Surgeons,
Glasgow, U.K.

It is attached to Rajarajeswari Medical
College & Hospital, a 1000 bedded
Super Speciality Post Graduate Institution
run by the same trust.
